Our Crazy Journey
Mandi Hudson, Katie Belony

Hi,

We are taking part in this crazy adventure to raise money for the charity that supports local girl Lilly MacClashan. You may have heard of toddler Lilly as she has had lots of press coverage and she regularly travels to the US where she has had pioneering treatment and is beating her cancer. This charity helps Lilly and others like her to live!

We are both very excited about riding to Paris and are very dedicated to our training, often riding out in the wind and rain and on occasion falling off.

We are combining our fundraising efforts so you can donate for both of us on this page. We need to raise £3k, £2k by January 2013 so please give as generously as you can. The charity will receive your money quickly and easily and if you are a UK taxpayer an extra 25% in tax will be added to your gift at no cost to you.

We really appreciate any sponsorship and will look forward to riding the 310 miles to Paris knowing you guys are supporting us!! Thank you all so much!

Mandi Hudson & Katie Belony
