Lands End to John O'Groats Cycle Ride

The Lands End to John O'Groats cycle ride is one of the toughest cycle challenges you can undertake in the UK. The route covers the furthest possible distance from South to North through the British Isles. Starting at Lands End, passing through Cornwall, Dartmoor, Wales, the Lake District, the Highlands and finishing in John O'Groats the ride allows cyclists to experience a challenging yet exciting and rewarding event.

- 12 day event
- Cover approximately 1,000 miles
- Great for corporate groups
- Achievable with training
- The UK's toughest cycling challenge!

Previous participants have come away with an enormous sense of achievement and wonderful memories. Whether you are regulars at charity events or have never done anything like this before our Lands End to John O'Groats cycle offers you and your team the ideal opportunity to team build, raise funds and complete an amazing cycle challenge!

Example Itinerary

This challenge is a must for you and your cycling team. The challenging 12 days in the saddle will take you right across the UK. The following gives you a brief taste of the first three days of the cycle which is open to all corporate groups, large and small:

Day 1: Lands End – Liskeard

Land's End is a beautiful area situated on the most southwesterly tip of England. This is where participants will begin their challenge. Approx Distance Cycled: 80 Miles

Day 2: Liskeard – Sampford Peverell

Day 2 begins with cyclists crossing Dartmoor, this is one of the toughest parts of the challenge. Here participants will be journeying through the scenic hills of Tavistock, and then begin the steep climb to Dartmoor.

Approx Distance Cycled: 85 Miles

Day 3: Sampford Peverell - Tintern

As cyclists head north, they will cycle through mainly rural roads towards Somerset and Cheddar. This is a great day to enjoy the scenery as the route continues near the Severn Estuary approaching Bristol. Approx Distance Cycled: 100 miles
